Lufthansa electronic ticket and make their passengers print their own e-tickets. . If you print out your electronic ticket, you can also print out your passenger receipt, which is also available for you to download as a PDF file. Passengers are required to use either their printed ticket or the electronic ticket to travel. You have the option of accessing

Other information: Passenger is required to check in their boarding pass along with the boarding pass, in the event of an absent person; or if the person does not check in the boarding pass, then the passenger will not be allowed access to the aircraft . The online check-in and seating selection are available 24 hours a day and 365 days a year. Online check-in and seat selection are available 24 hours a day and 365 days a day. Passenger Assistance For those passengers who need assistance, the cabin crew can assist you with your luggage, including airport transfer and general information about the city. You can request assistance to yourself or other passengers. When the aircraft doors are closed, assistance is available for a fee of €3.50 per person or €15 for two people. The cabin crew is able to help with checking in and selecting your seat . The passenger assistance is provided in English, Spanish and German . If you have a mobility impairment or physical disability please inform the crew before taking your seat to discuss your requirements and any special assistance needs. Please note that the cabin crew may contact you by telephone or email during the flight for which you have a passenger receipt to inform you of your flight details and/or for further information. Passengers traveling with more than one free baggage allowance may be required to remove excess baggage to enable use of the space available for your own baggage. Any baggage not claimed within 90 minutes of landing will be retained for the following flight or if none is to be taken for the next 24 hours.

---

Baggage not claimed within 90 minutes of landing will be detained and the passenger will be liable for the full value of the bag. Passenger bags are inspected and weighed before the start of the flight and the weight of all bags is recorded. During the flight, additional baggage will not be accepted. If you are unable to carry all your bags onto the aircraft, you will have to take them with you as hand luggage. Checked baggage can be split into two pieces only. Carry-on baggage cannot exceed 17 kg in weight and dimensions of 55 cm x 45 cm x 45 cm. No electrical devices such as laptops, camcorders and photographic equipment can be carried on board aircraft. The following items can be carried in the hold luggage cabin: 2d92ce491b
