Wii version Plot The film begins in the realm of the Chaos Emeralds. While Fuzon, James, Sonic, and Tails are discussing plans for their upcoming birthdays, they are interrupted by two Chaos Emeralds, who quickly spark a fireworks display. One of the Emeralds then introduces the idea of Sonic, Fuzon, and James, who call themselves the Chaos Speed Stars, to create their own game for Nintendo Wii using the Emeralds as a special power source. As they discuss the meaning behind their creation, they witness the destruction of a nearby city by the Chaos Emerald's "Chaos Drive" power. As they urge the Emeralds to "bring the Chaos Drive to the

Download Sonic 4 Episode I for Windows XP/Vista/Win7 Releases Sonic The Hedgehog 4 - Episode I (Sept 21, 2011) Release on Windows Sonic the Hedgehog 4 Episode I (PC Version) in the wiki about fixing PC games. Game information: Episode I is the title of the second part of the series. There are several changes, including the return of the character Dr. Eggman and the inclusion of new features such as free-roaming 3D moves, all-new 3D graphics and an in-game speedometer. Players can also alter the Sonic gameplay by entering a secret section of Tails' body (via a hidden level access), wherein Tails' character moves and attacks are altered, such as making Sonic faster, more agile and more likely to turn and attack.
