I don't know if this is the place for this but I just want to say that John McCain is without a doubt the dumbest human on the planet. He has proven this time and time again. The only reason that he is still alive is because he is so dumb and loyal to whoever wins his benefactor. And that person is the GOP. He is protected by the GOP because the GOP has no idea what a real leader looks like. The only reason that the self-proclaimed smartest man alive isn't in office right now is because the MSM doesn't want him to be. He has no idea how to run a country, let alone the world. The guy has no negotiating skills, and no ability to lead. The only reason he is still alive is because he is in the party of dumbness, and the guys in that party aren't about to have a Socialist President because they are too fucking dumb to realize what the real problem is. I am right about McCain and the party though. The GOP has no ability to look at a problem, or see what needs to be done. They just want the government out of their lives, and think that if you hand them control, all will be good. They haven't a clue as to what the real problems are, because they don't know how to deal with them. It is no wonder the country is in the state that it is in.
